

Town council - Tax collection ahead 1983

Town of Elk Point Administrator Pat Vincent told Council that property tax collection figures show a \$2,000 increase over 1983 figures, as of October 31, 1984. Council met Tuesday, November 13 because of the November 12 municipal government holiday for Remembrance Day.

Council dealt with their usual variety of business at the meeting.

Finance Committee recommendations that the Town apply for Priority Employment Program funding of several positions were approved on a motion by Mayor Ed Buck. This funding is available to keep persons in present positions which would be otherwise lost for lack of funding, as well as to initiate new positions for otherwise unemployed persons, and has much the same terms as the previous plan.

It was decided that the Municipal Planning Commission Secretary would be paid an hourly wage for attending MPC meetings in the future, rather than being given time off in lieu of these hours. The MPC sits for one to four hours per month.

Waste disposal contractor, Ed Poulin, has asked to be covered by Workmen's Compensation under the Town's policy for the length of his present contract,

and this request has been sent to committee for further study.

The Town's 1985 paving and water improvement programs will also receive in-depth study by the Public Works committee, and will be brought back to a special meeting of Council. It was noted that the population figure in the year previous to paving program grant application is taken into consideration as the population figure for the duration of the grant.

Invitations to tender for the Town's fuel supplies will be sent to local agents shortly, to cover the period December 1, 1984 to November 30, 1985.

No response has been received to a letter sent to the County of St. Paul regarding the modified sanitary landfill. A new trench at the landfill site has been completed ready for use.

Problems with one of the blowers at the sewerage blower station will be studied by the Public Works Committee. There is a possibility of obtaining a new blower on a six month trial basis, and this will be considered.

The Town has been approached by several water

hauling and supply firms regarding bulk water sales. The Town presently sells the water for \$35 per thousand gallons, to be used by camps, etc. in the area. Councillor Kryvenchuk moved that the practice be allowed to continue unless problems arise.

The water treatment plant refurbishing is now "100% complete", Administrator Vincent reported, with 100,000 gallons going through per day. The in-

(Cont. on next page)

Plebiscite

Last Wednesday's plebiscite vote gave the Town of Elk Point the go-ahead to purchase the 156.99 acre Clinic Holdings parcel one half mile southwest of the town limits for \$150,000.00 with 186 votes in favor of the purchase and 154 votes against. Two ballots were spoiled.

The total of 342 voters who turned out at the polls to the long-battled decision is approximately 41% of the Town's eligible electors.

Students honored at awards night

Thirty-eight students of F.G. Miller High School received a total of fifty-five awards last Wednesday, November 14 at the school's annual Awards Night. Ms. Madeleine Foley was mistress of ceremonies for the evening event.

In the Junior High division, Kathy Mistol received the Best All Round Junior award donated by Sharkey's Bus Service, to top off her five previous awards: Junior Sportswoman, donated by Canadian Salt Co., Home Ec. 9, donated by the Empress Restaurant, Junior Ukrainian, donated by the Universal Bottle Depot, Language Arts/Social Studies 9, donated by Elk Point Insurance, and tied for Math/Science 9 to win an award by Fort George Motel. Craig Campbell received the second Math/Science award from the BPOE.

The Junior High Academic Award went to Angel Ference, and was donated by Capital Drugs. Angel was also the proud recipient of the Home Ec. 7 award, donated by the OORP, the Language Arts/Social Studies 7 award donated by the Royal Canadian Legion, and the Math/Science 7 award presented by the BPOE.

Albert Lim topped the Language Arts/Social Studies and Math/Science awards for Grade 8 to win the Canadian Salt company and Fort George Agencies plaques.

Other Junior High winners were: Laurie Proskiw, Art award from the Windsor Club; Michelle Lukevich, Brailsford Memorial Music Award presented by the St. George's Lodge No. 169 AFAM; Calvin Bepalko,

KATES MEMORIAL AWARD — Mrs. Anne Kates presents the annual award in memory of her son to Mrs. Sharon Kuhn for her daughter Susan, who is presently studying at the University of Alberta.

Junior Sportsman award from the Elk Point Chamber of Commerce; Carol Giguere, the Special Education 7 award from the BPOE; Dean Buksa, the Special Education 9 award from the RCMP; Debra Bugej, the Home Ec. 8 award from the Pioneer Circle; Jason Bates, the Industrial Ed. 7 award from Bumper to Bumper; David Anderson, Industrial Ed. 8 award from CBM Confectionery; Brian Ference, Industrial Ed. 9 award from George's Service; Bryce Lorenson, Junior Computer award from Double S Confectionery; Jamie Pelech, Junior Drama award presented by donor Sid Holthe; and Tracy Boothman, Junior French award from John and Kay Wozniak.

In the Senior High division, the Kates Memorial Award went to top Grade 12 student Susan Kuhn. This annual award is made by Anne and Ben Kates in memory of their son Sidney, who graduated from high school in Elk Point with an honors standing. He attended University and was returning to Elk Point to take up a teaching career when he passed away in 1954.

Mrs. Kates made this year's award to Mrs. Sharon Kuhn for her daughter, who is attending the University of Alberta.

Susan Kuhn also won a number of other awards:

BEST ALL AROUND JUNIOR — Kathy Mistol accepts the Sharkey's Bus Service award from Ms. Madeleine Foley.

Senior English Matric, sponsored by Royal Travel; Senior Math, sponsored by G & S Billiards; and Matric 30 award sponsored by the BPOE.

Sally Adomaitis was the 1984 recipient of the Best All Around Senior award, which was presented to her mother, Mrs. Peggy Adomaitis, on her behalf by Dr. K.C. Miller. Sally was also named Senior Sportswoman, receiving the J.P. Koska Holdings award.

This year's Citizenship Award, donated by Dr. Bruce Kleeberger, went to Adele Young, who thanked Pastor John McGregor and the Baptist Church for their help in making her worthy of the award.

Glenna Grykuliak was a triple award winner, taking home the Elk Point Hospital award for Biology; the Historical Society award for Social Studies & History; and the Matric 10 award from Dr. K.C. Miller.

Karen Kryvenchuk took home both the Matric 20 awards donated by the Treasury Branch, and the Senior French award from Vogel's UFA. Anna Fedorus was also a double winner, receiving the Senior Computer award from Lawrence Pidluzny and the Physics award from the Lakeland Review.

Individual Senior awards went to: Brenda Ander-

At last —

The cable listings

The Review has finally received their first set of cable television program listings and will be including these in your November 21st issue. These listings are good for the balance of November, and hopefully we will have a December set of listings available for publication in the first week of that month. Sponsors are needed for this new service, and anyone interested in sponsoring may phone John at the Review, 724-4087 or 724-4302.

Students honored at awards night

son, Diploma 10, donated by Elk Point Lions Club; Sue Loughran, Diploma 20 award from Paul Stepa; Dan Povaschuk, Diploma 30 award from the County of St. Paul; Michael Palamarek, Senior Ukrainian award from Albi Electric; Michael Higgins, Senior Drama award from the Parents' Committee; Connie Maertz, Food Science 10 award from Elk Point Bakery; Valerie Ockerman, Clothing and Textiles award from Sew 'n' Knit; Larry Ference, Industrial Ed 10 award from the F.G. Miller staff; Jason Jenner, Industrial Ed 20 award from Chimo Building Supplies; Malcolm Palamarek, Senior Woodworking award from Phil's Allied Hardware; Crystal Poitras, Commercial 11 award from the TD Bank; Kari Anderson, Accounting award from Allen Warawa; Darren Lawrence, Law 20 award from Allan Wayne Fraser; Dale Rinas, Senior English Diploma award from the Town of Elk Point; Jim Mistol, Senior Sportsman award from Elk Point Burger Bar; and Kendall Scott, the Chemistry award donated by Dr. Frank Estay.

Kendall Scott was also one of the four Rutherford Scholarship winners announced at Awards Night, his scholarship being for achievements in Grade 11 and 12. Karen Behr, Susan Kuhn and Michael Palamarek were the other three winners, their awards being for Grades 10, 11 and 12.

A special presentation was made at the conclusion of the evening. A Red Cross Service Badge was presented to Mrs. Irene Magnusson for her late husband Clifton, who had given over 35 years of dedicated service to that most worthy organization.

SUPER SITTERS — Graduates of the Babysitting and Junior Resuscitation Course sponsored by Elk Point FCSS pose with their instructor, Rod Scott of St. Paul (far right). Graduating from the course were (front row, l-r): Lori Porcina, Stacy Bjornstad, Amber Fell, Cindy

Smith and Chandelle Beasley; (back row, l-r): Rhonda Laboucane, June Laboucane, Sandra Womacks, Kim Smith, Tracy Orschuk, Colette Poitras, Brenda Poitras, Stacy Beasley, Tammy Boratynec, Elana Yaremkevich, Sheila Kuhn.

Town council - tax collection ahead

(Cont. from Page 1)

stallation of a valve for emergency fire truck fillup at the plant was approved to a maximum cost of \$250 on a motion by Councillor Lesyk. The Town Lab is also fully operational.

A contractor who accidentally turned off the water to a 49th Street residence last week will be assessed a bill for the expenses incurred in having the flow restored, Council decided.

Council gave approval, on a motion by Councillor Kleeberger, to the 1984-85 FCSS funding agreement with the provincial government. The funding amounts are the same as last year's.

The FCSS Board has indicated that they would prefer to attend a separate Christmas party, for which they have budgeted the funds, to attending the Town's annual function. The FCSS staff would attend the Town party. The \$50 per couple allotment for the Board's party was considered 'extravagant' by some members of Council, but was termed 'cheap for a year's volunteer work' by others.

The Library Board has indicated that they would be pleased to attend the Town party.

Council endorsed the operation of a Disaster Services leadership training course in Elk Point next spring. A similar course was held here six years ago.

No reply has been received to a letter sent to the County of St. Paul regarding fire protection operational cost sharing.

The Town will send a letter to the NADC regarding the medical recruitment interchanges, indicating future participation if the Impact Assessment Study shows a need for more medical personnel in the area.

The Town decided that they will present a brief to the ERCB in the upcoming hearings scheduled for December 4 to 7, outlining the Town's concerns with the four applications being considered.

Input received from Pan Canadian Petroleums Ltd. regarding the inadequacies of the runway at the new airport was referred to the Airport Commission, who was scheduled to meet Wednesday. Upkeep of the

airport was also discussed, and the County will be contacted to try to negotiate a maintenance agreement.

The Town will plan a meeting in the near future with Pan Canadian officials regarding their proposal for industrial land development. The subdivision application on their site has been approved, Council was told.

Tenders are to be called immediately for construction of the new municipal library, with the wording to include, 'subject to financial approval'.

Steve McBroom of Gulf Canada Products Ltd. visited Council to set forth plans for a card-lock operation and farm lubricants dealership. Gulf made an offer to purchase Lot 1, Block 32, Subdivision application 84D 199/A for the project, which is tentatively scheduled for winter construction. Council will consider the proposal.

The Town has been asked to comment on service deficiencies if applicable, prior to the license renewal of Saskatoon Telecable. The main problem seems to be power interference, which is not a matter the CRTC can solve.

Esso Petroleum Canada has asked the Town to surrender their CN parking lease for development of a keylock installation. Council voted to refuse the request on the grounds that this area is needed for large truck parking, and because adequate land is available in the industrial subdivision. Mayor Buck had the lone vote against the motion.

A letter dated October 23 was received from Bill and Pearl Bepalko, requesting consideration of the construction of an alternate access to the water reservoir located in their field. The Town has a right of way from Highway 41 to the site, and Mayor Buck moved that this be developed as soon as possible. A letter will be sent to the Bepalkos, regarding this.

The Town approved a request from the Alberta Heart Foundation requesting that they be permitted to conduct their annual campaign.

Westerra Institute of Technology in Stony Plain has contacted the Town regarding placement of a student from their water/waste water technician program for work experience over a 6 month period. Councillor Kleeberger moved that the Town respond favorably, subject to the availability of funding.

Elk Point Baptist Church has submitted an offer to purchase a 75 ft. by 140 ft. lot north of their church lot for the construction of a manse, to be rezoned Institutional. Councillor Kleeberger moved that the Administrator review the situation and draft a tentative agreement.

A \$250 contribution to the Community Impact Assessment Study has been received from Sulpetro Ltd.

Council has been invited to attend a Heavy Oil Review Committee luncheon and meeting on November 29, to discuss concerns regarding the various heavy oil projects.

The Administration is to determine the date and location of the Town's Christmas party, following a motion by Councillor Kleeberger that such an event be held this year.

by KAREN REED

Christmas is around the corner, the Lioness Club has been back in session for three months and I am just making my first report. Oh my gosh, I slap my fingers for delaying our events but we have been a busy bunch of girls.

Our 1984-85 session started with tying up many projects from last spring. Sgt. Fell and his helpful staff brought the Block Parent Program in action with entering the schools to explain the program in Sept. and distributing the signs to all the applicants. All information and applications have now been turned over to the Lioness to handle any new volunteers. Anyone wishing to become a Block Parent please contact Joyce Oryschuk at 724-2416 or Sylvia Kleeberger at 724-4089. I might add we were very pleased to see people from the outlying communities getting involved as well as the great response from Elk Point.

Our Baby Seat Rental Program is also well on its way. We have a few seats out and a few still on standby. These are the new born seats and are rented out for the first six months. The girls in charge of this program are Sylvia Kleeberger at 724-4089 or Judy Estey at 724-4066. Remember Mom, you kept that little one safe for the first nine months, let's continue to offer them a safe environment. Buckle Up That Baby!

Fund raising projects are continuing so we can help our community as much as possible. We have been fortunate that our Lions have not tired of our cooking and we continue to cook at their Supper meetings. We had our Rodeo Raffle this summer and a table at Flea Market a few weeks back. These many projects keep the girls on their toes.

Things to look forward to is our Free Pancake Brunch. This will be held on December 15, 1984 at the United Church. Pancakes, hot chocolate and coffee will be served from 10:30 a.m. to 12:30 p.m. Everyone is welcome! And guess what!! Santa has taken time from his busy schedule to be there for all you kids, so mark your calendar and join us all there!!

Last but not least, I would like to take this opportunity to shed a little light on a new project we plan to

No man lives by bread alone. They all need to be buttered up once in awhile.

Elk Point & district Lioness news

become involved with after the new year. The project will be an ongoing project for many years and our girls are quite excited about it. That is working with the St. Paul & District Crisis Association. This centre works with battered women and their children. The office is presently opened in St. Paul and covers a very large rural area.

Lois Morrow of this association visited our club this past week and opened our eyes to this problem. Wife assault has become an open topic and in 1982 a special committee of the House of Commons identified one out of every ten women in Canada are battered by their husbands or common-law partner. What about those who haven't come forward yet because they don't have anywhere to go or don't know who to call?

Help is now available in this rural area. Did you know that Grand Centre presently has a home for Battered Women?

The St. Paul office is just getting started and on December 15th, 1984 will be opening a 24 hour crisis line. A pattern shows that most beatings occur during 5:00 p.m. and 2:00 a.m., unfortunately while the office presently is closed. Volunteers are presently under extensive training but much more help is always needed.

Lois Morrow and her association has also applied to the Federal Government for funds to establish a shelter in St. Paul, which will hopefully be approved by April, 1985.

This association not only provides a temporary shelter, but also offers assistance in going through the legal maze of a separation, obtaining the matrimonial home or providing emotional support, counselling and referrals to appropriate services.

Our first step is to help the association to initiate and participate in public awareness programs related to battering. The second to make the shelter a reality.

Hopefully our community, pastors, and other service clubs will help us in understanding and supporting this cause.

In closing, the Elk Point & District Lioness Club wishes you a very safe and happy Christmas season and a Great New Year to come!!

The Town of

Elk Point

Notices & Information

INVITATION TO TENDER

Elk Point Municipal Library

Project: Construction of a Municipal Library Building
in Elk Point, Alberta.

Tender Documents may be obtained only by General, Mechanical and Electrical Contractors from the office of:

David Kobayashi Architect Ltd.,
301, 9006-132 Avenue
Edmonton, Alberta
T5E 0Y2, Telephone 478-9090

and

Town of Elk Point
Box 448
Elk Point, Alberta
T0A 1A0, Telephone 724-3810

upon deposit of \$150.00 certified cheque, payable to the Town of Elk Point, of which \$100.00 will be refunded when the plans and specifications are returned to the architect in good condition, not later than 14 days after the closing date.

Tender Documents may be viewed at the Construction Association offices in Edmonton and Lloydminster.

Sealed Tenders Marked "Elk Point Municipal Library" will be received at the Town Office of Elk Point, Box 448, Elk Point, Alberta, T0A 1A0 up to 2:00 p.m. M.S.T. Tuesday, December 4, 1984.

Tenders must be accompanied by a certified cheque or bid bond in the amount of 10% of the tender price.

Tenders will be opened in public.

The lowest or any tender will not necessarily be accepted.

"Second Class Mail Registration Pending"

Ahead with a good attitude

Congratulations to all the students of F.G. Miller Junior-Senior High School who received the dazzling array of plaques and cash awards at last Wednesday's Awards Night. These awards reflect a variety of talents, ranging from artistic endeavours, to the basic three R's, to sports, and their recipients have worked hard to earn them.

Several of the awards were for all-around students and for citizenship. To earn these, the students must not only have a sound academic background, but must exhibit the traits that make them helpful, caring members of society who are willing to work for the good of others besides themselves.

Another activity at the high school last week involved voting by students for their peers who they felt exhibited a good all-

around attitude toward life. This concept reflected the recent Canada Career Week theme, "You're Ahead with a Good Attitude".

The results of the voting showed the F.G. Miller High has a bumper crop of students who are ready to become good and useful members of society.

A recent survey of employers held in conjunction with Career Week showed that an overwhelming number of employers preferred a good attitude in their employees over experience coupled with a poor attitude toward a job. This would indicate that these F.G. Miller students will be welcomed on the job market when the time comes.

Keep up the good work, and keep smiling!

VB

U Can't do that

At last Tuesday's Council meeting, councillors were asked to comment on policing problems within the town. One problem which was named by several persons was that of vehicles which are proceeding north on Main Street and which make U-turns in the middle of the block to enter angle parking spaces on the other side of the street.

You cannot do that!

The law states that it is illegal to make U-turns except at intersections, and then only at intersections which are not controlled by stop signs from any direction. Even then, it is an unsafe practise.

The locations where these U-turns are being made do not fit this criteria. To turn across the stream of traffic is dangerous to oncoming vehicles, and to

vehicles which are attempting to back out of adjoining parking spaces, in addition to being discourteous to the oncoming vehicles which see a parking space up ahead and find it filled by a vehicle coming from the other way seconds before they get to it.

One observes this practise every day on Elk Point's main street, in constantly increasing numbers. The RCMP obviously has more vital matters to attend to than keeping a constant watch on these offenders, and it is up to these persons themselves to refrain from this hazardous habit before the local detachment is called-out to a collision resulting from one of these 'U-ee burns'.

VB

(Ed. note — And I'm not just jealous because my truck doesn't turn that short, either!)

meanwhile, back at the ranch

by VICKI BROOKER

It's beginning to smell a lot like Christmas....

One batch of seven fruitcakes is cooling on racks, and three more have just been put into the oven. I'm about two weeks behind my regular schedule, but time has a way of catching up with me.

This morning, with everyone off to work, chores and the Grey Cup Parade, seemed an ideal time to get this annual project out of the way. I dug through the recipe drawer for two cookbooks and a tattered sheet of paper, retrieved my bag of baking needs from the depths of my closet, and hauled my mother's big bowl out of the cupboard.

Cutting up dates, measuring raisins, and slivering almonds, I remembered years far past, when I thrilled at helping my mother with these tasks. She always bought the almonds with their brown skins still on - perhaps that was the only way they came back then - and I was detailed to skin the little rascals. They were poured into a heavy old mug, a few at a time, and boiling water poured over them. When the water had cooled enough to reach into, the skins were loose and easy to slip off. However, by the time enough had been skinned for Mother's huge batch of fruitcakes, my small fingers were as brown and wrinkled as the almond skins.

Halving the cherries was my favorite task - much more fun than washing the raisins and drying them on old sugar sacks - but one which Mother monitored closely, to see that the tempting fruit actually reached the bowl, and not the mouth. Now I have only the memories of her disapproval to restrain me from snitching more than one or two from the tub.

The second batch, now giving off a spicy, heartwarming odor steeped in nostalgia, is made by Mother's recipe, and in her favorite bowl. Her old tin measuring cup from her flour bin dipped

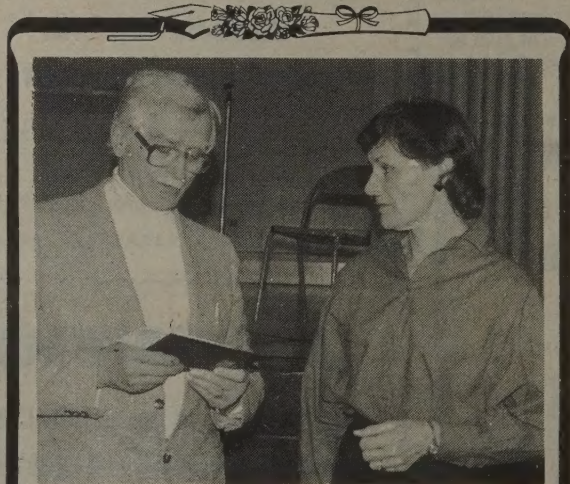

up the sugar and flour, and the old black loaf pan from her pantry holds one of the cakes.

The first batch, I made from a lighter style of batter which is far preferred by my family, and is really just a doctored up date loaf, with applesauce (this year's crabapple sauce, saved from a fall overload) to keep it moist, and raisins, spices and cherries tucked in for good measure. Come to think of it, this cake must also be a tradition by now - I have been making it ever since the first year we went farming, in 1973, when I used up a lot of withered apples and tried out the new recipe in my newest cookbook.

I had planned to make my Christmas puddings today, also, but it appears that my package of suet - of which I require only a half per year - may have gotten the boot in last spring's deep freeze cleaning - one doesn't think about steamed puddings in April, and over zealous cleaners probably thought, what will she ever do with THAT? Also, I need some suitable containers to steam the puddings in which will be sent off to my sisters, so the puddings will have to wait a few days.

Sending them off - that's another tradition. Mother's fruitcakes reached far corners of the globe, and puddings from western Canada found their way to the east coast of England, in huge, bulky parcels sewn up in sugar sacks and plastered with declaration slips. My baked goods are not travelling that far, just one parcel to Pullman, Washington and one to Vancouver, B.C. Oh yes, and one all the way to Mallaig... this one for the little girl I saw in a photo the other day, stirring the Christmas cake in the old blue bowl from within the loving arms of her Grannie, and who will now share the cake and pudding with her husband of two years....

How time flies!

BEST ALL AROUND SENIOR — Award went to Sally Adomaitis. Mother Peggy Adomaitis accepts the award donated by Dr. K.C. Miller on her daughter's behalf.

NEW BEAVERS — Received their scarves and woggles from their parents during the investiture ceremonies in Elk Point last week. Here Alice and Dave Yake congratulate son Jamie while Beaver leaders Linda Piotrowski and Linda Briggs look on.

Beavers, Cubs and Scouts installed

New members of Elk Point's Beavers, Cubs and Boy Scouts were installed last Monday night, with a good crowd of parents on hand for the occasion.

Scout leader Alvin Wannechko welcomed the visitors, and introduced District Commissioner Chris Cressey of St. Paul.

Linda Briggs and Linda Piotrowski installed ten new Beavers, with the assistance of the Beavers' parents, who placed the neckerchiefs and woggles on the boys after they had said their pledges to the leaders. New Beavers this year are: David Naber, Matthew Veer, Alan Mc-

Collun, Kristin Holthe, Ryan Kozicky, Irwin Easthope, Jamie Yake, Lee Keith, Cameron Zarowny and Ryan Bullis.

Dennis Jasinsky was enrolled as a new Cubmaster, and joined Josylynn Wannechko in hearing the promises given by new Cubs Roger Smith, Jeremy Briand, Darin McCollum, Cody Kurek, Dennis Jasinsky, Dale Pinder and Darren Pilisko. New Cub Dale Golden was absent.

The second year Cubs were each given a new scarf woggle, as were the Sixers. The Cub ceremony wound up with

a Grand Howl.

Alvin Wannechko installed three new Scouts: Jason Yarmuch, Gerald Wannechko and Doug Zaraska. A fourth new Scout, Trevor Golden, was absent. The new members bring the scout troop membership to six, as they join former members Derek Zacharuk and Michael Estay in the group.

District Commissioner Cressey gave a brief address of welcome to the new members and outlined a number of interesting plans for future activities.

The Cubs presented a series of skits, which in addition to their entertainment value, help the Cubs to work for one of their badges.

Cub leader Josylynn Wannechko announced that there will be a bottle drive on Thursday, November 22 after school, in conjunction with the Guides and Brownies, and asked for parent volunteer drivers.

IT LOOKS LIKE THIS — Old hands at Cub scarf tying show the new members the correct procedure at last Monday's investiture ceremony.

From the Sergeant's desk

By SGT. JIM FELL

Attention snowmobilers

With the arrival of the "white stuff", I thought I would review the law, as it pertains to SNOWMOBILES. Here is a reprint of last year's article with one minor correction: the annual fee for registration is \$15.00.

There is a difference in requirements between personal private land, private land owned by some other person and public or Crown land.

First of all, I will explain what is required on public or Crown land including lakes. Your snowmobile must be registered as an off-highway vehicle and have the plate attached in a clearly visible unobstructed location. Your snowmobile must be insured for public liability and property damage and you must be able to produce both a registration certificate and a "pink card" upon the demand of a Peace Officer.

You cannot operate a snowmobile or other Off-Highway vehicle on a highway or in the ditches along the side of the

highway, this applies only to Provincially maintained highways as the County of St. Paul has a By-law permitting travel in the ditches along County maintained roadways. If you wish to cross a highway, your passengers must disembark the vehicle and you must cross by the most direct route, yielding to all other vehicles and pedestrians.

No one under the age of fourteen (14) years is permitted to operate an Off-Highway vehicle on public or Crown land including lakes unless they are being supervised by an adult over eighteen (18) years of age on the vehicle or in the immediate vicinity of the vehicle. For example, on another Off-Highway vehicle.

Accidents involving Off-Highway vehicles that cause death, injury or property damage totalling \$500.00 must be reported to the police. Failure to do so would result in a charge.

For private land, all of

the previously noted Laws and Regulations do not apply except for death or injury accidents. For land owned by another person, the Laws and Regulations do not apply IF permission is "expressed or implied." A note for the land owner - you may be civilly liable if an accident occurs on your land.

The Town of Elk Point does not permit the use of snowmobiles or other Off-Highway vehicles on the streets, alleys or other public land.

If you have other questions, please feel free to contact my office.

Beef outlook and marketing seminar

All producers are invited to a Beef Outlook and Marketing Seminar at the Glendon Hall, Thursday, November 29, 1984 at 9:45 a.m.

Topics include cattle and feed grain outlook, economics of wintering calves versus selling in the fall, alternative methods of selling cattle and a look at our beef grading system.

Feature speakers include Gordon Herrington and Dwayne Couldwell, Provincial Market Analysts, for the Alberta Agriculture, and Dr. Mick Price from the University of Alberta speaking on beef marketing.

Please pre-register by phoning the St. Paul D.A. office (645-6301) by November 27th. Seminar Fee is \$10.00 per person.

The Town of

Elk Point

Notices & Information

Development Permits

Permit No. 63

Lot 15 Blk 1 Plan 822-2728

4909-48 St.

Elk Point Burger Bar

Elk Point, Alta.

Remove old building and erect new building.

Approved.

Any person claiming to be affected by the decision made by the Development Officer/Municipal Planning Commission may appeal by writing a NOTICE OF APPEAL to the secretary of the Development Appeal Board, Box 448, Elk Point, Alberta, within 14 days from the first publication of this notice, giving reasons for the appeal. Such appeal shall be accompanied by a certified cheque or money order in the amount of thirty five (\$35.00) dollars.

Alberta Agriculture, St. Paul, Alta.

Beef marketing November 29

On Thursday, November 29, Alberta Agriculture is sponsoring a beef outlook, economics, and marketing seminar at the Glendon R.C.M.P. Hall starting at 9:45 a.m.

The morning sessions will cover market outlook for both feed grains and beef cattle. Dwayne Couldwell, Alberta Agriculture's Provincial Grain Analyst, will be talking about market supplies and prices for feed grains for the next few months. Gordon Herrington, Alberta Agriculture's Livestock Market Analyst, will discuss future feeder and slaughter cattle market prospects.

During the afternoon Charlie Pearson, our Regional Farm Economist from Vermilion, will be taking a look at the cost of keeping calves and steers over winter versus selling in the fall, as well as covering some of the basic production costs for beef production.

The day will conclude with a presentation on marketing and grading systems by Dr. Mick Price, a well known livestock production professor from the University of Alberta. Dr. Price will be commenting on such areas as selling rail grade versus selling through public stockyards or through private bids; matching your market animals to what the industry wants; as well as describing our present beef grading system and its various strengths and weaknesses. I'm sure you will find the outspoken Dr. Price to be most informative.

For further information and for pre-registration call the St. Paul D.A. office (645-6301) or the Bonnyville office (826-3388). Registration fees of \$10 per person will be collected at the door.

ON MY HONOR — New Boy Scout Jason Yarmuch gives the promise to Scoutmaster Alvin Wannechko at last week's investiture.

Revamped curling rink to open

With renovation work nearing completion, the Elk Point Curling Club has scheduled Saturday, November 24 for its grand reopening celebrations, announced Curling Club President Jim Fell.

The Club facilities were heavily damaged by fire on August 7th of this year,

and the front portion of the building was subsequently totally gutted and rebuilt. Local builder Wally Briand has been in charge of the renovations and has been working virtually non-stop since he was awarded the contract a month ago.

Curling Club members have also helped in the repair work, removing a large portion of the previous interior prior to the new construction, and later painting the new walls.

A ribbon cutting ceremony at 1:00 p.m. Saturday will be followed by registration for this year's league curling, and hopefully by a kickoff "greenspiel" if the ice is ready by that date.

Everyone is invited to attend and to register for a winter of curling fun.

THANK YOU FIDDLERS

The Clondonald Agricultural Society would like to extend a sincere thank you to all who took part in our fiddlers' contest.

Thank You

The Clondonald Agricultural Society would like to extend a sincere thank you to ALL those who attended our Clondonald Fair and who worked in the different booths and helped in any way to make it a big success. To all the judges who had difficult decisions to make, to the Booster for their coverage, and to all those who helped cut grass before the fair. — THANK YOU ALL!

News

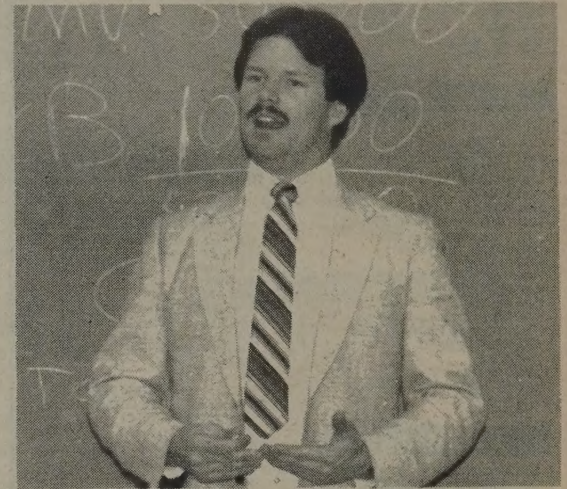

by ELENA DROBOT

The Elk Point 4-H meeting was held at the F.G. Miller High School on November 12 with 10 members present. The 4-H pledge was said by Darwin Ference and Leanne Drobot. Roll call was "What I would like to achieve this year in 4-H". Minutes were read by secretary Brenda Anderson while Donna Brooker read the treasurer's report.

Membership fees this year were kept at \$1.00. Calf insurance is \$10.00. Names were exchanged for Christmas gifts. Our Christmas party will be held at Drobot's on December 16 at 1:00 p.m. with a pot luck supper after tobogganing. Next meeting will be held on December 16 before our party.

Did you know that the 4-H pledge, repeated at all 4-H gatherings is a national pledge, composed in 1927 by an extension worker in the United States and outlines clearly the objectives of the 4-H program.

4-H FACT: Canada has approximately 6,000 4-H club leaders.

AGRICULTURAL LAWYER — Colin Simmons explained the complexities of estate planning at last Thursday's seminar in Elk Point.

Estate planning

Elk Point and District Agricultural Society joined with Alberta Agriculture last week in sponsoring a Wills and Estate Planning for the Farm seminar, with Agricultural Law expert Colin Simmons as guest speaker. Almost 30 participants attended this seminar, which was held Thursday evening in Elk Point.

The intricacies of rollovers, capital gains tax and the ways to avoid or postpone paying it, valuation day values of property and the many aspects of estate planning were carefully explained by Simmons in the three hour session.

"It's not easy to make a fair will," conceded the lawyer, and explained a number of ways in which a will can be made to provide for the future needs of one's survivors. Keeping the will up-to-date was stressed, as well as discussing the provisions of the will with one's family in order to "eliminate surprises" and to "limit the potential for fights".

The main thing, Simmons concluded, "is to get you people thinking about making a will" in order to save much unnecessary expense, argument and grief in the future."

Regarding turning over the family farm to one's children, Simmons urged his audience to "go slowly. Don't get into too much, too fast." One must make sure, for example, to retain enough money for one's own needs for the remainder of their life, and a roof over their heads. "Don't take any of those things for granted," he warned.

Community news

Congratulations to Ethel and Wallace Briand and family on the November twelfth arrival of new addition, Jonathon, who weighed in at 8 lbs. 7 oz. Proud grandparents are Edith and Bob Mitchell.

A nice crowd gathered at Spring Park Hall Saturday evening to celebrate the Golden Wedding Anniversary of Hazel and Bruce Hannah, who were married in Elk Point on November 19, 1934 and farmed north of

town for many years prior to their retirement.

Mrs. Hannah was agreeably surprised to have her sister, Myrna Haggard, of Victoria, B.C. arrive for the celebration, in addition to her brother, Philip Haggard of Fort St. John, B.C., nephew Raymond Charest of Vernon, B.C., and Mr. Hannah's nephew Allan Larson of Edmonton.

Congratulations to the Hannahs, and many more years of happiness to them both.

SEEK

"Seek and ye shall find". Matt. 7 vs 7.

What are you looking for in life? Each of us have dreams and goals. But often life seems to lack real happiness.

Are you searching for real love and peace, joy and contentment? As we seek these things from God, we will find them in the Salvation He offers in Jesus Christ.

The Elk Point Baptist Church invites you to attend the Crusade meetings commencing Wednesday, November 28th, 1984 at 7:30 p.m. in the old school.

Come and discover that

"There's More"

Let God touch your life and enjoy a new beginning in Christ.

Speaker: Pastor Ian Bowie from British Columbia.

For more information call 724-4220 or 724-4194.

Autumn Red Cross zone meeting

by IRENE MAGNUSSON

The autumn Red Cross Zone meeting was held in Elk Point, Thursday, November 8th, 1984, in the F.G. Miller High School Home Ec room, with a good turn out.

Zone Chairman Margret Modin called the meeting to order at 8 p.m., with a reading of the minutes by Iryne Buck, Sec.

The Water Safety Program report was given by Laverne Wilson, of Heinsburg, who has been overseer of the program for many years. Five instructors were engaged in this life-preserving two-week session, held yearly at Whitney Lake.

Instructors were: Kathy Hines of Lloydminster; Leslie Hines, also of Lloydminster; Judy Young, Tullibee Lake; Arnell Hines of Marwayne and Marj Carter of Heinsburg. A large sign-up of 240 students kept the instructors busy, and they were rewarded by seeing an over 60 percent pass rate, Carter said.

Students came from such diverse places as Marwayne, Elk Point, Dewberry, Heinsburg, Kitscoty - even a few from Edmonton out on holidays joined the sessions. Ms. Carter reported good weather prevailed throughout the two weeks, with exception of examination day, when a storm occurred.

She gave considerable thanks and credit to Mr. Walter Scott, a volunteer Royal Life Examiner, who braved the rotten road and mud to come out from Vermilion to give the tests. After getting bogged down on the trail, he proceeded to carry out the task - all for

love of safety and the good cause, Red Cross Water Safety and the students all owe him a vote of thanks.

Extensive repairs were done on the piers, and all are now out of the lake, waiting on the beach for another year of use.

At this Annual meeting, all officials were returned to their former positions with the exception of the Water Safety treasurer, a job held for ten years by Ann Buck. She wished to retire from this work, so nominations were called for and filled with the appointment of Sherry Young of Heinsburg to this important post.

Officials at Zone level are as follows: Margret Modin, Chairman; Iryne Buck, Secretary; Niki Riemer, Treasurer; Estella Young, Women's Work Convenor; Violet McFadyen (Elk Point) and Wasy Elashuk (Lindbergh) as Vice-Presidents.

Canvass Campaign Committee members are Violet McFadyen, Lawrence Modin and Laverne Wilson. In the March, '84 campaign all areas went all out and exceeded their quotas. At this meeting all captains were awarded "Over the Top" Certificates from the Red Cross in recognition of the good work accomplished.

In the present urgent need for food in Ethiopia, the Chairman urged members to let it be known that any extra funds received will be put to very good use.

As usual the meeting ended with a tasty lunch served by the host Branch and a time for members to visit together.

AUTUMN VISITORS — Enjoy the clean sandy beach of Whitney Lake, and one kid shows a readiness to 'take off' from the dry-docked pier. The October water would be a bit chill.

I. Magnusson

Business students rank first

A team of Business Administration students from Lakeland College has placed first in a recent stock market competition between colleges and universities across Canada. The competition is sponsored by Wilfrid Laurier University, the Toronto Stock Exchange, Bell Canada and several Canadian investment dealers, with more than 500 teams taking part.

The Lakeland College team consists of students in the Investment course, and is coached by instructor

K.Y. Cheng. Teams in the competition were given \$100,000 play money at the beginning of the course, and follow a carefully developed investment strategy. Students at Lakeland "play" the game through the use of the college's computer systems and data communications network.

Other competing institutions included the University of Toronto, University of Western Ontario, and Red Deer College.

Not bankrupt

yet

One warm day at a scrapyard two men went into the yard's office with some salvaged tractor parts they wished to purchase. The parts were priced and the attendant remarked, "Well, it looks like you are going to do some farm work?"

One of the men paid for the parts with a \$100 bill and said, "Well we're going to fix our tractor up for next year. You can tell I'm not farming yet; I've still got \$100."

We will supply Chinese or Western food for your holiday parties.

Recreation news

by BRENDA DAGG

The Elk Point & District Regional Recreation and Cultural Board met for their regular meeting on Tuesday, November 13 at 7:00 p.m. At this meeting the new MCR grant program for 1985 to 1990 was discussed. The comment made by Mayor Buck in the November 7th issue of the Lakeland Review was as follows:

QUOTE: "Price of the parcel is \$150,000.00, which Mayor Ed Buck noted in an interview Monday, can be financed without any increase in taxes. Half of this amount will be taken from recreational reserve funds, which have been accumulating for a number of years, and which can be used only for recreational land purchases.

The balance will come from the new MCR grant program which is coming in 1985, and which will give Elk Point \$15 per capita, or approximately \$15,000 per year, each year until 1990 for a total of \$75,000 plus."

The Recreation Board cannot understand how such a statement could be made. The new MCR is for all community programs. By appropriating the \$15,000 a year to the purchase of land, then other areas like the Curling Rink, Arena, Library, Halls and community groups will be suffering with no grant money available to them. This does not seem fair. The recreation Board would like to see a lot more consideration given to this matter before a final decision is made.

Girls ringette is going strong on Saturday mornings from 10:00 a.m. to 11:00 a.m. All girls from grades five (5) to twelve (12) are welcome to attend. Please bring along a helmet with a face

shield and elbow and knee pads for protection.

The community services gym is open Tuesday evenings from 7:00 p.m. to 9:00 p.m. for any groups that are interested. Please call the Recreation Office if you are interested.

The St. Paul Aquatic Centre is offering the use of their facility on Saturdays from noon until 3:00 p.m. At the present time we are getting a few schedules together for people to catch a bus from Heinsburg, Lindbergh and Elk Point and then travel to St. Paul. Rates for this will be posted in next week's paper and announced at the schools.

If you need more information, please call 724-4074.

Peewees trounce Bonnyville 13-6

by VICKI BROOKER

Elk Point Co-op Peewees had another easy win Saturday, when they defeated the visiting Bonnyville team by a 13-6 margin.

Richard Woytkiw was Elk Point's top scorer, slamming home four goals, while Robin Yakemchuk and Todd Anderson scored a pair each. Single goals were scored by Richard Schuhmacher, Norbert Benard, Jim Onusko, Todd Youngmans and Chris Cameron.

Assists were by Yakemchuk (3), Schuhmacher, Cameron, Youghans, Onusko, David Meger and Brad Yakemchuk.

Helping you save money

Have you ever gone to empty your piggy bank and found nothing there? Well the energy management people at Alberta Power Limited have some tips to help you save your money.

- Up to one-third of your home's heat can be lost through air leaks. Weather stripping around doors and windows not only reduces heat loss, but also cuts down on drafts and your bill.
- Storm windows or double-glazed units should be considered minimum standards for Alberta weather conditions.
- When insulating, take a look in the basement. Heat loss through uninsulated basement walls can be three times greater than heat loss through the ceiling.
- You can save pennies in the kitchen too.
- Preheat the oven only when necessary. Most meats and casseroles can be cooked without preheating.
- Use a timer. Instead of opening the oven door to peek, you can just check the timer.
- Try using a pressure cooker too. It reduces cooking time. And when you're thinking about the fridge:
- Clean dust from the back condenser coils every year.
- Cool foods to room temperature before putting them into the fridge.
- Defrost the freezer regularly. More than 0.5 cm (1/4 inch) of frost build-up causes the compressor to run longer.

Using your washer, dryer and dishwasher wisely helps you fill your piggy bank too.

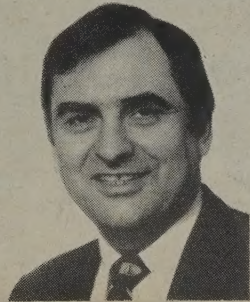

- Use full loads in the washer, dryer, and dishwasher.
 - Also, keep the lint catcher in your dryer clean.
 - Adjust your washer to the minimum time necessary, and don't forget to use the correct wash cycle and water temperature for loads of the same fabric.
 - If you have an energy-saver cycle with no heat dryer on your dishwasher, use that.
- Simple maintenance to your furnace will help it run smoothly and efficiently and your piggy bank will smile. Keep the furnace filter clean since a plugged filter reduces the heat transfer capacity and makes the fan work longer. Also, oil the motor parts and fan axle according to manufacturer's specifications. And remember, always turn off power to the furnace before making any adjustments.

In winter, use a timer on the circuit to your car block heater. It only needs to be on three to four hours before the car is started. Use an in-car warmer when necessary, and put in on the same timer as the block heater.

For more information on how you can fatten your piggy bank, the energy management people at Alberta Power have prepared a booklet, "Energy Efficiency in the Home." For your complimentary copy, write to Alberta Power Limited, Energy Management, P.O. Box 2426, Edmonton, T5J 2V6.

report from parliament hill

by DON MAZANKOWSKI

Transport Canada Minister, Don Mazankowski, has announced that the Government of Canada building in Vegreville will undergo renovations.

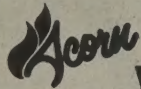

A Public Works Canada contract for \$53,750 has been awarded to H & S Building Enterprises Ltd. of Edmonton to undertake exterior work on the Vegreville post office. The front steps are to be removed and replaced by a new access which will include a

wheel-chair ramp.

Mazankowski said he welcomes the renovations because "handicapped persons will now

have unimpeded access to the building."

The project is expected to be completed by the end of this year.

National poison prevention week

November 12-17 has been declared National Poison Prevention Week. It is also an excellent time to check your home to be sure that it is poison-proof. The victims of accidental poisoning are most commonly children between the ages of one and four years. Parents who have children in this age group must be particularly careful.

In most homes, nearly every room has something hazardous in it. For example, the kitchen contains obvious poisons such as detergents, oven cleaners, solvents and alcoholic beverages. However, rooms which are not normally considered to be hazardous, such as the living room, can still present dangers to the preschool child. Poisonous household plants, alcoholic beverages and medications left in

purses by visitors are potential hazards in the living room. Take a few moments this week to check each room in your home and ensure that poisons are being kept safely away from children.

Grandparents also need to be cautious when young children are visiting, partly because the elderly population use medications more frequently than any other age group. The colorful shapes and containers in which medications are stored offer added attraction to the young child. Therefore, visiting grandchildren should be carefully observed when in the grandparent's home.

Prevention of accidental poisonings in homes is a parent's responsibility. Please check your homes this week to ensure the safety of your child.

County of St. Paul No. 19

ALBERTA YOUTH Employment Program

Teacher-Aides and Secretarial-Aide Positions

The following vacancies exist in the schools in the County of St. Paul under the Alberta Youth Employment Program.

Ashmont Elementary School Office-Aide

This person will be assigned to the school offices and will carry out general secretarial-related duties.

Teacher-Aide (Two Positions)

These two persons will work with students and prepare materials under the direction of various teachers.

Ashmont Secondary School Office-Aide

This person will be assigned to the school offices and will carry out general secretarial-related duties.

Lafond School

Teacher and Library Aide

This person will work in the Community/School Library as well as carry out teacher-aide duties.

Ecole Mallaig School

Teacher-Aide

This person will work with students and prepare materials under the direction of various teachers.

Teacher — Office-Aide

This person will work as both a teacher-aide and as a secretarial assistant.

Elk Point Elementary School Teacher-Aide

This person will work with students and prepare materials under teacher direction.

This person will work with students and prepare materials under the direction of various teachers.

Teacher-Library Aide

This person will work with students as well as working in the Community School Library.

Persons wishing to apply for these positions must qualify under the Alberta Youth Employment Program which states:

"This program element provides work experience and training to young Albertans between the ages of 18 and 24, with preference given to high school graduates.

Employees must be 18 to 24 years old, graduated from high school, and unemployed for at least four months. Other 18 to 24 year old Albertans who have been out of school for at least 12 months, and unemployed for the last four months are also eligible. They must have been residents of Alberta for the past three years."

Persons qualifying under this program are invited to apply by sending a written application stating the appropriate position(s) and school to:

Mr. W.H. Webb
Superintendent of Schools
Box 100
St. Paul, Alberta
T0A 3A0

These positions are for a 12-month period, working 6½ hours per day at a rate of \$5 per hour. The Library positions in Lafond and Heinsburg are for an additional 10 hours per week. On the job training will be given for all the positions.

Closing Date For Applications: November 27th, 1984.

Please pre-register by phoning the St. Paul D.A. Office (645-6301) by November 27th. Seminar fee — \$10.00 per person.

Wedding nostalgia at adventure hour

Ten wedding gowns, ranging in vintage from six years to 46 years, were displayed at Friday's adventure hour, and evoked a flood of nostalgia from residents, models and hospital staff.

Carolyn Onusko, married 17 years, Patsy Zarowny, married 13 years, Agnes Moroziuk, married in 1976 and Joanne Hutton, 1978, modelled their wedding finery for the admiring audience. A large clothing rack held the other gowns on display.

The oldest gown belonged to Grace Barwick, who was married in 1938. Nancy Heinemann's satin gown was worn 42 years ago. Jean Ference's short lace gown with matching jacket of 1955 vintage was accompanied by a pink gown worn by her bridesmaid.

Evelyn Babcock's silk organza gown was sent from England 26 years ago, and is a replica of that worn by Princess Margaret. Carol Hellquist's short, embroidered organza gown came with a veil crowned with a tiny pillbox hat. Sharon Kuhn's gown from 19 years ago rounded out the collection.

The fashion trends of nearly fifty years were reflected in the display of gowns, but beauty and tradition was evident in all.

WEDDING FINERY — Of various vintages was displayed at Adventure Hour last Friday. The 'blushing brides' are (l-r) Agnes Moroziuk, Joanne Ference, Carolyn Onusko and Patsy Zarowny, while their tiny flower girls are Michelle Hutton and Cassie Onusko.

Teen curling a possibility

Teenaged curlers in the Elk Point area will have a league of their own this winter if sufficient interest is shown. Curling Club President Jim Fell has announced.

Teens aged sixteen and

over would pay \$25, while those under 16 would pay just \$5. The younger set is also invited to register for the Men's, Ladies and Mixed curling leagues if they wish.

Come on down and

register on Saturday, November 24th after 1:00 p.m. for a winter full of fun and participation, teens. Can't curl? Volunteers from the club are planning sessions to teach you the basics of the game.
